GENERAL PROGRAM INFORMATION & POLICIES

The Elm Street Community School is a community-based program that focuses on programs/activities and special community events for school-age children to active older adults. We welcome community involvement and suggestions to help provide services to the neighborhood in our efforts to develop a strong community based program. Council meetings will be held regularly for neighborhood residents to attend. For additional information about these meetings contact the Director.

Registration Procedure

Registration will begin Wednesday, December 17th from 5:00 P.M. - 6:30 P.M. in the school's Cafeteria. When your name is called you will simply drop off the registration forms with payment and you can leave. Registration continues on Thursday from 7:30 - 9 A.M and it will be on a First come - First serve basis. After these dates please drop off your child's registration form in the Community Schools Mail Box in the main office. Class selection will be based on available spaces. For more information call 617/349-6307. If you cannot come to register at the times listed above because of a prior commitment, please contact the Community School Director at 617-349-6307. Our classes must have a minimum of 6 participants or the class will be cancelled. Our Winter Session will begin on Monday, January 12th and will end on Friday, April 17th. Please Note: An Annual Application Fee of \$25.00 per child is required at registration. (This fee is applicable for the School Year Only).

PAYMENTS

Full payment is due at time of registration, however a payment plan can be arranged with the director. Checks or Money Orders (NO CASH) should be made payable to: Elm Street Community School. If you have an outstanding balance with any Department of Human Service Program, your child's registration will not be accepted until all payments are made. Class fees are based on the number of weeks a class meets. **Returned checks** will be charged an additional \$25.00. Full payment must be made within 48 hours to avoid disruption in your child's schedule.

REFUNDS

If a class is not fully enrolled, the class may be cancelled. You will be notified and given a refund, or an alternative class may be chosen. We understand that there may be times when a class is not what your child expected. A full refund will be given if we are notified within 24 hours after the first class. Partial refunds will only be given if a child is no longer able to participate due to medical reasons. Refunds are not issued for missed classes.

EARLY RELEASE DAYS

Regular scheduled classes are <u>not</u> held on early release days. A special activity or field trip will be planned. Children must be registered in advance to attend any early release day trips.

PROGRAM CLOSINGS

Classes are not held on city holidays, snow days or on days the Cambridge Public Schools are closed.

FINANCIAL ASSISTANCE

Partial scholarships are available to families who qualify. Please request a financial aid form from the director. Income verification in the form of W-2 or 4 current pay stubs must be submitted with the application. All information provided will be kept confidential. Deadline for financial assistance is Friday, January 9^{th} .

CHILD PICK UP & ABSENCES

Children will only be released to those you have authorized on your child's registration / emergency card. If there is any change in pick up arrangements the director must be notified in advance. Only children ages 9 & up will be allowed to walk home with parent/guardian permission. Please notify us my phone or email if your child will be absent from the program.

TRANSPORTATION

Community Schools does not provide transportation from school to after school programming. We do not meet children at school bus stops. Only children ages 9 & up, with parent permission, may ride the bus from another school and walk into the program.

LATE FEE POLICY

Instructors are not responsible for children after the class ending time. All children must be promptly picked up at the end of class. There will be a late fee of \$1.00 per minute for each minute you are late after the scheduled pick up time. Late fees must be paid within 48 hours to avoid disrupting your child's participation in the program. Chronic lateness may result in suspension of your child's participation in the program.

SCHOLARSHIP DRIVE

We welcome your contribution to assist us with providing scholarships to families in financial need. You may choose to support a particular program or contribute to our general scholarship fund. We thank you for your support.

EQUAL ACCESS

The City of Cambridge, Department of Human Service Programs / Community Schools Division does not discriminate in providing services on the basis of race, religion, national origin, cultural heritage, political beliefs, sexual preferences, marital status, or disability. The Department of Human Services will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to qualified individuals with disabilities upon request. For more information call 617-349-2000 (voice) or 617-492-0235.

INCLUSION POLICY

Department of Human Service Programs welcomes individuals with disabilities in all of its Out of School Time Programs. DHSP will provide reasonable accommodations to individuals with disabilities who meet the basic eligibility requirements of the OST Programs or who with the provision of reasonable accommodations will be able to meet the basic eligibility requirements

Grades 2nd – 5th 3:45 – 4:45 \$70

Instructor: Alden Griggs

Mario Kart K'nex racing, Bionicles, Tons of Lego bricks and much more. This is a self guided type class where there will be a specific project each week that will include projects like squishy circuits, Kinetic Structures and tinkering with "LittleBits" electronics followed by some free form time.

The Box Score & Trading Cards

Grades 2nd – 5th 2:45 – 3:45 \$75

Instructor: Wade Lindhorst

Does your child love sports and have a stack of trading cards and sports magazines lying around? Well this class might help make those items more useful in many ways. The class will cover all aspects of trading cards from using math skills to learn things like averages, assists and percentages. They will also have access to using their trading cards for a table top game. Using the NFL Showdown cards, participants can create their own team and compete with other students in a NFL Showdown game. Strategy will also be learned in games like the NFL Strategy Board game and Pro Draft. They will learn how to keep their most valuable cards in mint condition and find out how to see just how valuable those cards are!

Puzzles & Strategic Games

Grades 2nd – 5th 2:45 – 3:45 \$70

Instructor: Community School Staff

We will explore a wide range of puzzles to tease and test your mind, as well as working on strategic games.

Dodgeball

Grades 2 - 5 3:45 - 4:45 \$70

Instructor: Valerie Christphonte

The Home Stretch

Grades 2nd – 5th 4:45 – 5:30 \$65

Instructors: Community school staff

This is an opportunity for students to end their day with a choice of reading, playing tabletop sports games or finish up on homework. This is a low key class to help your child end their day.

Thursday Classes 13 Weeks

January 15th – April 16th No Classes February 19th

Then and Now

Grades JK - 1 2:45 – 3:45 \$75

Instructor: The Otis House

Then & Now: Life in New England is a literacy based program that combines themed story books and hands-on craft activities to introduce children to ideas about New England's history and daily life over the last 400 years. It is ideal for JK-1st grade.

Creative Movement

Cambridge Performance Project Grades JK – 1 2:45 – 3:45 \$130

Instructors: Molly Hess

Music accompanies the class as students explore techniques and individual choreography games.

Class limit is 12.

Mad Science® of Greater Boston

Grades 2nd – 5th 2:45 – 3:45 \$130

"Mad Science: Freaky Physics, Forces and Flight" Join the Mad Science hands-on science fun. We're crazy about science...and hope you are too! In this program, we'll have a blast exploring science and how it affects the world around us. There will be exciting hands-on activities, spectacular demonstrations, inquiry-based discussions, and amazing projects to make and take home. We'll join Bernoulli and Newton as we take an exciting look at the science behind aerodynamics and the properties of air ... under pressure; eliminate the mystery in chemistry; take a tour on the electron freeway in the world of circuit electricity...current events; and experience some awesome forces ... gravity ... inertia ... centripetal force...for ourselves. We'll also learn about water waves and the environment; explore the scientific secrets behind some famous magic tricks; investigate the fundamental principles of flight; and discover the strengths of triangles, cylinders and arches and how these shapes make structures for sturdy homes and skyscrapers.

Build It, Launch It, Crash It

Grades 2nd – 5th 2:45 – 3:45 \$85

Instructor: Karen Boutet

Make and test simple engineering projects. Create a soda bottle car, build a craft stick bridge, fly an airplane made of index cards and straws. See how fast and far your inventions can go, and how much weight your bridge can hold.

Lego Story Starter

Grades 2nd – 5th 2:45 – 3:45 \$90

Instructor: Dylan Green

In the computer lab, students will use the Lego building plates, bricks and special elements, Students create their story one scene at a time, bringing their ideas to life. Once completed they then use the programs software to write their story in a variety of visual styles and import the images of the scenes they have made. Each student will have their stories made in to a magazine type production.

Sports Mania

Grades 2 - 5 2:45 - 3:45 \$70

Teacher: Alden Griggs

A great way to end the school day and a great way to start your afterschool day. Participants will get to play different games and sports every week from team games and individual sports.

Color My World

Grades JK - 1 3:45 – 4:45 \$100 13 Thursdays

Last and a Ka

Instructor: Karen Boutet

Use paint, clay, markers, crayons and colored paper in all the colors of the rainbow. Learn how to mix colors, make animals, creatures, nature scenes, and more

Mysterious Missions

Grades 2nd – 5th 3:45 – 4:45

\$70

Instructor: Jake Crutchfield

Imagine a class in which you and your friends decide what to learn and how to learn about it. This class is about asking big questions and finding creative, fun solutions. Based on the S.O.L.E. learning model, students will use the internet and hands-on learning to investigate their interests.

Gym Games

Grades JK - 1 2:45 – 3:45

\$70

Teacher: Community School Staff

It's winter and the school day just ended for your child. Let them expend some built up energy and play with others in organized games in the gym.

Historical Toys & Optical Illusions

Grades 2nd – 5th 3:45 – 4:45 \$75

Instructor: The Otis House

Historic Toys and Optical Illusions looks at the kinds of toys children played with long ago. How did they have fun without computers, batteries, or electricity? Students explore toys and games from the ancient world through 19th-century America, and make their own to take home

The Home Stretch

Grades 2nd – 5th 4:45 – 5:30 \$65

Instructors: Community school staff

This is an opportunity for students to end their day with a choice of reading, playing tabletop sports games or finish up on homework. This is a low key class to help your child end their day.

Summer Camp Information Night

Thursday March 5th
Thursday March 12th (Snow Date)
